Ganesh Jannu

Product / UX Designer – Enterprise SaaS, CRM & Data Platforms

Hyderabad, India | ganeshjannu05@gmail.com | +91-9666266614| Portfolio | LinkedIn

---

Product & UX Designer with 2.6+ years of experience designing enterprise SaaS, CRM, and regulatory platforms. Skilled in simplifying complex workflows, compliance systems, and data-driven dashboards into intuitive user experiences.
Worked on platforms for Abu Dhabi Department of Energy (DoE) and TAQA Water Solutions, designing compliance tracking systems, operational dashboards, and workflow-driven interfaces. Experienced across the product design lifecycle with a focus on design systems and scalable interfaces.

CORE SKILLS

- **UX Design & Interaction**

User Experience Design, Interaction Design, Information Architecture, User Flows & Journey Mapping, Wireframing, Prototyping, Human-Centered Design, Responsive Design, Accessibility Design (WCAG 2.1), Usability Testing

- **UX Research & Strategy**

User Research, User Personas, Heuristic Evaluation, Affinity Mapping, Competitive Analysis, A/B Testing, Research Synthesis, Cognitive Walkthrough, Card Sorting, Design Thinking

- **UI & System Design**

Visual Design (Typography, Layout, Hierarchy), Design Systems, Component Libraries , Dashboard & Data Visualization Design, Workflow Design, Micro-Interactions

- **Methodologies**

Agile / Scrum, Design Thinking, Stakeholder Management, Cross-functional Collaboration

- **Tools & Technologies**

Figma, Figma Dev Mode / Design Handoff, Adobe XD, Adobe Creative Suite (Photoshop, Illustrator), Notion, HTML, CSS (developer collaboration)

PROFESSIONAL EXPERIENCE

Innovatech Technology Solutions – UX Designer , Hyderabad Mar 2025– Present

Contributed UX design for enterprise SaaS and regulatory platforms for clients including *Abu Dhabi Department of Energy (DoE) and TAQA Water Solutions*

- Designed UX flows, wireframes, and high-fidelity interfaces for enterprise SaaS platforms, simplifying regulatory and operational workflows.
- Independently designed key modules of the ActiveProperties CRM platform, structuring agent and admin workflows including deal tracking and commission management.
- Built a Figma design system with 60+ reusable components, cutting design-to-dev handoff time by ~25%
- Translated complex regulatory requirements into intuitive dashboards and structured UI components, improving compliance tracking and reporting clarity.
- Designed data-driven KPI dashboards, reducing data interpretation time by ~30%.

- Co-designed the TAQA Water Solutions platform and contributed to DoE modules, improving compliance workflows and reducing task completion time.

North North Software Solutions – Product Designer , Contract Nov 2024 - Jan 2025

- Designed wireframes and high-fidelity UI for course flows and key user interactions, improving navigation through clear information architecture and content hierarchy.
- Collaborated cross-functionally with developers to ensure accurate, responsive UI implementation, ensuring consistent UI experience across devices and screen sizes.

Mindwave Solutions – UI/UX Designer , Hyderabad Jul 2023 – Oct 2024

Designed digital platforms across SaaS, B2C, and B2B2C products, focusing on usability improvements and structured user journeys.

- Designed user flows, wireframes, prototypes, and high-fidelity UI for web and mobile applications.
- Translated product requirements into information architecture and intuitive user journeys, improving navigation and usability.
- Conducted user interviews and usability testing to identify pain points and improve usability
- Supported UX research and usability testing, using insights to refine design decisions and improve feature relevance.
- Iterated designs through prototyping and stakeholder feedback, improving usability in key user workflows.

KEY PROJECTS

- **Abu Dhabi Department of Energy (DoE)**: Licensing, Compliance, Inspections, and Reporting modules
- **TAQA**: Wastewater management and compliance platform to track DOE license conditions, reporting workflows, and operational KPIs across treatment and distribution systems.
- **ActiveProperties** – Real Estate CRM (Independently Designed)
  End-to-end CRM platform for agent and admin workflows, including deal tracking and commission management.
- **CyberSkul** — Cybersecurity training SaaS platform

EDUCATION

Jahanavi Degree & PG College,Hyderabad – Bachelor of Business Administration 2019-2022

Certification

UI/UX Design Certificate **(ICAT Design & Media College)**
